The references submitted with this statement, including those listed above, should not prevent the grant of a patent to Applicants for their invention. Applicants do not admit that the cited references are prior in time to the effective filing date of this application.

The present statement reflects the direct knowledge of the undersigned and information disclosed to the undersigned by Applicants and others substantively involved in the preparation of the present application pursuant to their duty under section 1.56 of Title 37 of the Code of Federal Regulations.

To the best of applicant's knowledge the information disclosure statement is being submitted prior to the mailing of the First Office Action. Therefore, no fee is required. If any fee is required, the Commissioner is hereby authorized to charge any fee resulting from the filing of this disclosure statement to Deposit Account No. 04-1425. A duplicate copy of this document is submitted for that purpose.

Applicants requests that the enclosed documents be considered by the Examiner and made of record in this file.

Respectfully submitted,
